OWNER:

McCune - Brooks Hospital
3125 Dr. Russell Smith Way
Carthage, MO 64836

PRIME CONTRACTOR:

JE Dunn Construction
1001 Locust
Kansas City, MO 64106

ENGINEER:

Brack & Associates
2947 Wannamaker Road
Topeka, KS 66614

PROJECT SUMMARY:

This project was the construction of a new 64 bed hospital. Foley Company provided and installed two (2) high pressure steam boilers, DX roof-mounted air handling units, HVAC piping, and HVAC sheet metal. Foley was also responsible for the installation of the medical gas system and above ground plumbing.

Extensive CAD coordination was required due to the limited mechanical space and unique architectural features.
